DEBTORS FOR AUTHORITY TO RETAIN AND EMPLOY JONES LANG  
LASALLE AMERICAS, INC. AND JLL VALUATION & ADVISORY SERVICES,  
LLC AS THEIR REAL ESTATE ADVISOR, EFFECTIVE AS OF NOVEMBER 5, 2018**

TO THE HONORABLE ROBERT D. DRAIN  
UNITED STATES BANKRUPTCY JUDGE:

Pursuant to 28 U.S.C. § 1746 and Rule 9075-2 of the Local Bankruptcy Rules for the Southern District of New York (the “**Local Rules**”), the undersigned hereby certifies as follows:

1. Beginning on October 15, 2018 (the “**Commencement Date**”) and continuing thereafter, each of Sears Holdings Corporation and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**”) commenced with this Court a voluntary case under chapter 11 of title 11 of the United States Code. On December 6, 2018, the Debtors filed the *Application of Debtors for Authority to Retain and Employ Jones Lang LaSalle Americas, Inc. and JLL Valuation & Advisory Services, LLC as their Real Estate Advisor, Effective as of November 5, 2018* (ECF No. 1081) (the “**Application**”).

2. The Debtors served the Application as reflected in the affidavit of service filed at ECF No. 1141.

3. The Application established a deadline of December 13, 2018 at 4:00 p.m. (prevailing Eastern Time) (the “**Objection Deadline**”) for parties to object or file responses to the Application. The *Amended Order Implementing Certain Notice and Case Management Procedures*, entered on November 1, 2018 (ECF No. 405) (the “**Amended Case Management Order**”) provides that a motion or application may be granted without a hearing, provided that no objections or other responsive pleadings have been filed, after the passage of the Objection

Deadline, and the attorney for the entity who filed the pleadings complies with the terms of the Amended Case Management Order.

4. The Objection Deadline has passed and, to the best of my knowledge, no objection, responsive pleading, or request for a hearing with respect to the Application has been (a) filed with the Court on the docket of the above-captioned case or (b) served on counsel to the Debtors.

5. Accordingly, the Debtors respectfully request that the revised proposed order, granting the relief requested in the Application annexed hereto as **Exhibit A** (the “**Revised Proposed Order**”), be entered in accordance with the Amended Case Management Order. The Revised Proposed Order reflects informal comments received from the ABL DIP Lenders<sup>2</sup> and amendments to the Engagement Letters made pursuant to informal comments received from the Creditors’ Committee. A redline of the Revised Proposed Order marked against the version filed with the Motion is annexed hereto as **Exhibit B**.

I declare that the foregoing is true and correct.

## REAL ESTATE ADVISORY SERVICES AGREEMENT

This Agreement is dated December 6, 2018, but made to be effective as of November 5, 2018 ("Effective Date"), between Sears Holdings Corporation ("Client") and Jones Lang LaSalle Americas, Inc., a Texas corporation ("JLL").

WHEREAS, Client wishes to retain JLL to provide real estate advisory services by acting as Client's non-exclusive national coordinator of sales of certain properties designated by Client from time to time (up to a maximum of 200 properties) and providing such advice in connection therewith as Client may request (collectively, the "Services");

WHEREAS, Client and certain of its subsidiaries each commenced a voluntary case (the "Chapter 11 Cases") under chapter 11 of title 11 of the United States Code currently pending before the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court");

WHEREAS, JLL wishes to provide the Services, as more fully defined in Exhibit A, to Client.

NOW THEREFORE, for and in consideration of the mutual covenants, the parties hereto agree to the terms and conditions contained herein for the provision of the Services.

### SECTION 1. SCOPE OF SERVICES

1.1 Services. Client owns or leases various premises in the United States and appoints JLL to provide the Services with respect to such premises as set forth in this Agreement. JLL agrees to perform the Services on a national basis. JLL shall be the exclusive provider of the Services. JLL shall be compensated for the performance of Services as described in Exhibit B.

### SECTION 2. NO GUARANTEES

Client acknowledges and agrees that JLL's obligation under this Agreement is to use reasonable efforts to cause each the project to be completed in accordance with budgets, schedules and other parameters approved by Client, but that JLL shall not be deemed to have given any guaranty or warranty that any of the foregoing can be accomplished and shall not be liable for the errors, omissions or breaches of contract by any other party providing goods or services to any project. JLL, however, shall promptly notify Client when it reasonably anticipates that the project cannot be completed in accordance with the budgets, schedules and other parameters approved by Client.

### SECTION 3. TERM, TERMINATION AND TERMS OF PAYMENT

- 3.1 Term and Termination without Cause. This Agreement shall commence on the Effective Date and terminate on May 1, 2019. Client may terminate this Agreement for any reason or no reason by providing five (5) days' prior written notice of such termination to the other party. In the case of Client termination during the first six (6) months of the Agreement, Client shall pay JLL a termination fee upon the effective date of the termination, calculated as two (2) times the monthly fee, plus any unpaid fees or expenses per Section 3.2 below.
- 3.2 Payment upon Termination. If this Agreement is terminated, such termination will be with respect to JLL's further representation of Client but will not affect Client's responsibility hereunder for the payment of, nor JLL's right to collect, any fees to which JLL is entitled for the Services rendered prior to the termination. JLL shall also receive payment for reimbursable expenses and other reasonable costs incurred prior to termination.

**3.3 Intentionally Omitted.**

**3.4 JLL's engagement by Client and its submission of invoices or other forms of payment requests, are subject to compliance with the provisions of the Bankruptcy Code and relevant orders entered by the Bankruptcy Court in the Chapter 11 Cases.**

**SECTION 4. HAZARDOUS MATERIALS**

Client acknowledges and agrees that JLL is not an expert in environmentally hazardous materials, including but not limited to, asbestos and/or PCB's, and that JLL is not providing any advice with respect to such materials. Client agrees to hire such experts as it deems necessary to investigate any environmentally hazardous materials at any property it intends to purchase or occupy.

**SECTION 5. INDEMNIFICATION**

Client agrees to defend (with counsel reasonably acceptable to JLL), indemnify and hold harmless JLL, its subsidiaries, affiliates and the employees, partners, officers and agents of each from and against all losses, liabilities, costs and expenses (including, without limitation, reimbursement of actual attorney's fees, expert witness fees and court costs) incurred either as a defendant or witness and arising out of claims by third parties, except to the extent such losses, liabilities, costs and expenses arise out of JLL's negligence, gross negligence, intentional misconduct or fraud. JLL shall indemnify, defend (with counsel reasonably acceptable to Client) and hold Client harmless from any and all losses, liabilities, costs and expenses, including reasonable attorney's fees and court costs (except to the extent covered by insurance carried by Client), arising out of claims by third parties and sustained or incurred by or asserted against Client by reason of or arising out of JLL's negligence, gross negligence, intentional misconduct or fraud.

**SECTION 6. INSURANCE**

During the term of this Agreement, JLL shall maintain the insurance set forth in Exhibit D, attached hereto and incorporated herein, with limits of liability not less than stated in Exhibit D.

**SECTION 7. COMPLETE AGREEMENT/GOVERNING LAW**

This Agreement, and all exhibits attached hereto, contains the entire agreement between the Client and JLL with respect to the Services and supersedes and replaces all previous agreements, whether written or oral, with respect to the subject matter of this Agreement. This Agreement may not be changed, modified, amended, or discharged, except by an agreement in writing. If any provision of this Agreement is invalid under applicable law, such invalidity shall not affect the other provisions of this Agreement. This Agreement shall be construed under and interpreted in accordance with the internal laws of the state where the the Services are performed. The Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the transactions contemplated hereby; provided, that if the Bankruptcy Court does not have or abstains from exercising such jurisdiction, the parties hereto agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in New York County or the Commercial Division, Civil Branch of the Supreme Court of the State of New York sitting in New York County and any appellate court from any thereof, for the resolution of any such claim or dispute, and the parties hereby irrevocably consent to the jurisdiction of such courts and waive any objections as to venue or inconvenient forum.

**SECTION 8. PERSONAL LIABILITY & CONSEQUENTIAL DAMAGES**

Notwithstanding anything else contained herein to the contrary, each party shall look solely to the assets of the other party for satisfaction of any liabilities or obligations of the other party under this Agreement, and no officer, director, employee or shareholder of the other party shall be personally responsible for any such liabilities or obligations. Both parties waive any claims for loss of profits, consequential, punitive, exemplary or similar damages in connection with the performance of the Services under this Agreement, and, except for JLL's liability to third parties for bodily injury, death and property damage, in no event shall JLL's liability to Client exceed the greater of annual fees paid or One Million Dollars (\$1,000,000).

#### **SECTION 9. Intentionally Omitted.**

#### **SECTION 10. ASSIGNMENT**

This Agreement is binding on the parties hereto and their respective successors and assigns. This Agreement may not be assigned by JLL without the prior written consent of Client except to any other entity which acquires substantially all of the business and employees of JLL. JLL will notify Client of the effective date of any such assignment. Further, JLL may delegate all or a portion of the Services to be performed under this Agreement to any affiliate or local JLL entity upon prior notice and approval by Client (such approval not to be unreasonably withheld) provided that JLL will remain responsible for providing all such services and no additional compensation shall be due to any such person or entity without the prior written consent of Client.

#### **SECTION 11. FORCE MAJEURE**

Neither party shall be liable for any default or delay in the performance of its obligations under this Agreement to the extent that such default or delay is due to circumstances beyond its control and unknown to it at the date of this Agreement, such circumstances including but not restricted to fire, flood, earthquake, diseases, epidemic, elements of nature or acts of God, acts of war, terrorism, government acts, strikes and legislative constraints, including, without limitation, unavailability of utilities and services, electric power and telecommunications services or any other similar cause beyond the reasonable control of such party ("Force Majeure Event"). In each and every Force Majeure Event, the non-performing party will be excused from any further performance or observance of the obligation(s) so affected for as long as such circumstances prevail and provided such party continues to use commercially reasonable efforts to recommence performance or observance whenever and whatever extent possible without delay.

#### **SECTION 12. PRESS RELEASE**

Upon execution of this Agreement and entry of an order of the Bankruptcy Court approving JLL's engagement, JLL may release the following press information with Client's consent, such consent not to be unreasonably withheld: the existence and nature of the partnership between JLL and Client, including the services to be provided under the Agreement. Any additional information, such as specific quotes made by Client or its employees with respect to JLL, will require written approval by Client.

#### **SECTION 13. MEDIATION**

The parties will attempt in good faith to resolve any controversy or claim by negotiation or mediation.

#### **SECTION 14. STATE-SPECIFIC PROVISIONS**

State-specific provisions required by the various state licensing laws shall be provided in the Rider attached to this Agreement.

#### **SECTION 15. SURVIVAL**

The provisions of Sections 3.2, 3.3, 5, 6, 7, 8, and 15 of this Agreement shall survive the expiration or termination of this Agreement.

#### SECTION 16. NO EXCLUSIVITY

This Agreement memorializes JLL's non-exclusive engagement to provide the Services and Client may retain any other parties to provide any services as Client may desire.

#### SECTION 17. BROKERAGE SERVICES

Notwithstanding any provision to the contrary in this Agreement, nothing in this Agreement shall prohibit Client and JLL from entering into a separate agreement for JLL (including Donna Kolius and Pierce Owens) to act as Client's local broker on the sale of certain properties, if Client desires to engage JLL as its local broker on such properties. Further, nothing in this Agreement shall prohibit JLL from receiving a commission on a sale of any of Client's properties if JLL represents the prospective purchaser or counterparty to the transaction.

**REAL ESTATE ADVISORY SERVICES AGREEMENT**  
**(December 2018 Sales Process for Real Estate)**

This Real Estate Advisory Services Agreement (this “Agreement”) is dated December 6, 2018, but made to be effective as of November 26, 2018 (“Effective Date”), between Sears Holdings Corporation, a Delaware corporation (“Client”) and Jones Lang LaSalle Americas, Inc., a Texas corporation (“JLL”).

WHEREAS, Client wishes to retain JLL to provide real estate advisory services by acting as Client’s non-exclusive national coordinator of sales of certain leasehold or owned property listed on the Real Estate Sales Process Letter (the RE Sales Process Letter) dated November 30, attached as Exhibit A and to provide such advice in connection therewith as Client may request (collectively, the “Services”). Any leasehold or owned property listed on the RE Sales Process Letter is covered by this Agreement.

WHEREAS, Client and certain of its subsidiaries each commenced a voluntary case (the “Chapter 11 Cases”) under chapter 11 of title 11 of the United States Code currently pending before the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”);

WHEREAS, JLL wishes to provide the Services, as more fully defined in Exhibit B, to Client.

NOW THEREFORE, for and in consideration of the mutual covenants, the parties hereto agree to the terms and conditions contained herein for the provision of the Services.

**SECTION 1. SCOPE OF SERVICES**

1.1 Services. Client owns or leases various premises in the United States and appoints JLL to provide the Services with respect to such premises as set forth in this Agreement. JLL agrees to perform the Services on a national basis. JLL shall be compensated for the performance of Services as described in Exhibit C.

**SECTION 2. NO GUARANTEES**

Client acknowledges and agrees that JLL’s obligation under this Agreement is to use reasonable efforts to cause the project to be completed in accordance with budgets, schedules and other parameters approved by Client, but that JLL shall not be deemed to have given any guaranty or warranty that any of the foregoing can be accomplished and shall not be liable for the errors, omissions or breaches of contract by any other party providing goods or services to the project. JLL, however, shall promptly notify Client when it reasonably anticipates that the project cannot be completed in accordance with the budgets, schedules and other parameters approved by Client.

**SECTION 3. TERM, TERMINATION AND TERMS OF PAYMENT**

3.1 Term and Termination without Cause. This Agreement shall commence on the Effective Date and terminate on March 1, 2019 (“Term”). ---

two (2) months fee upon the effective date of the termination, plus any unpaid fees or expenses per Section 3.2 below.

- 3.2 **Payment upon Termination.** If this Agreement is terminated, such termination will be with respect to JLL's further representation of Client but will not affect Client's responsibility hereunder for the payment of, nor JLL's right to collect, any fees to which JLL is entitled for the Services rendered prior to the termination. JLL shall also receive payment for reimbursable expenses and other reasonable costs incurred prior to termination.
- 3.3 **Intentionally Omitted.**
- 3.4 JLL's engagement by Client and its submission of invoices or other forms of payment requests, are subject to compliance with the provisions of the Bankruptcy Code and relevant orders entered by the Bankruptcy Court in the Chapter 11 Cases.

#### **SECTION 4. HAZARDOUS MATERIALS**

Client acknowledges and agrees that JLL is not an expert in environmentally hazardous materials, including but not limited to, asbestos and/or PCB's, and that JLL is not providing any advice with respect to such materials. Client agrees to hire such experts as it deems necessary to investigate any environmentally hazardous materials at any property it intends to purchase or occupy.

#### **SECTION 5. INDEMNIFICATION**

Client agrees to defend (with counsel reasonably acceptable to JLL), indemnify and hold harmless JLL, its subsidiaries, affiliates and the employees, partners, officers and agents of each from and against all losses, liabilities, costs and expenses (including, without limitation, reimbursement of actual attorney's fees, expert witness fees and court costs) incurred either as a defendant or witness and arising out of claims by third parties resulting from (directly or indirectly), or related to, the Services or actions or omissions of JLL or the Client taken pursuant to this Agreement or in any written agreement entered into in connection with this Agreement, except to the extent such losses, liabilities, costs and expenses arise out of JLL's negligence, gross negligence, intentional misconduct or fraud. JLL shall indemnify, defend (with counsel reasonably acceptable to Client) and hold Client harmless from any and all losses, liabilities, costs and expenses, including reasonable attorney's fees and court costs (except to the extent covered by insurance carried by Client), arising out of claims by third parties and sustained or incurred by or asserted against Client by reason of or arising out of JLL's negligence, gross negligence, intentional misconduct or fraud.

#### **SECTION 6. INSURANCE**

During the term of this Agreement, JLL shall maintain the insurance set forth in Exhibit D, attached hereto and incorporated herein, with limits of liability not less than stated in Exhibit D.

#### **SECTION 7. COMPLETE AGREEMENT/GOVERNING LAW**

This Agreement, and all exhibits attached hereto, contains the entire agreement between the Client and JLL with respect to the Services and supersedes and replaces all previous agreements, whether written or oral, with respect to the subject matter of this Agreement. This Agreement may not be changed, modified, amended, or discharged,

except by an agreement in writing. If any provision of this Agreement is invalid under applicable law, such invalidity shall not affect the other provisions of this Agreement. This Agreement shall be construed under and interpreted in accordance with the internal laws of the state where the Services are performed. The Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the transactions contemplated hereby; provided, that if the Bankruptcy Court does not have or abstains from exercising such jurisdiction, the parties hereto agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in New York County or the Commercial Division, Civil Branch of the Supreme Court of the State of New York sitting in New York County and any appellate court from any thereof, for the resolution of any such claim or dispute, and the parties hereby irrevocably consent to the jurisdiction of such courts and waive any objections as to venue or inconvenient forum.

## **SECTION 8. PERSONAL LIABILITY & CONSEQUENTIAL DAMAGES**

Notwithstanding anything else contained herein to the contrary, each party shall look solely to the assets of the other party for satisfaction of any liabilities or obligations of the other party under this Agreement, and no officer, director, employee or shareholder of the other party shall be personally responsible for any such liabilities or obligations. Both parties waive any claims for loss of profits, consequential, punitive, exemplary or similar damages in connection with the performance of the Services under this Agreement, and, except for JLL's liability to third parties for bodily injury, death and property damage, in no event shall JLL's liability to Client exceed the greater of annual fees paid or One Million Dollars (\$1,000,000).

## **SECTION 9. Intentionally Omitted.**

## **SECTION 10. ASSIGNMENT**

This Agreement is binding on the parties hereto and their respective successors and assigns. This Agreement may not be assigned by JLL without the prior written consent of Client except to any other entity which acquires substantially all of the business and employees of JLL. JLL will notify Client of the effective date of any such assignment. Further, JLL may delegate all or a portion of the Services to be performed under this Agreement to any affiliate or local JLL entity upon prior notice and approval by Client (such approval not to be unreasonably withheld) provided that JLL will remain responsible for providing all such services and no additional compensation shall be due to any such person or entity without the prior written consent of Client.

## **SECTION 11. FORCE MAJEURE**

Neither party shall be liable for any default or delay in the performance of its obligations under this Agreement to the extent that such default or delay is due to circumstances beyond its control and unknown to it at the date of this Agreement, such circumstances including but not restricted to fire, flood, earthquake, diseases, epidemic, elements of nature or acts of God, acts of war, terrorism, government acts, strikes and legislative constraints, including, without limitation, unavailability of utilities and services, electric power and telecommunications services or any other similar cause beyond the reasonable control of such party ("Force Majeure Event"). In each and every Force Majeure Event, the non-performing party will be excused from any further performance or observance of the obligation(s) so affected for as long as such circumstances prevail and provided such party continues to use commercially reasonable efforts to recommence performance or observance whenever and whatever extent possible without delay.

## **SECTION 12. PRESS RELEASE**

Upon execution of this Agreement and entry of an order of the Bankruptcy Court approving JLL's engagement, JLL may release press information describing this agreement provided the information is approved by Client prior to its release, with Client's consent not to be unreasonably withheld. The press information will be limited to the existence and nature of the Agreement between JLL and Client, including the services to be provided under the Agreement. Any information released by JLL, such as specific quotes made by Client or its employees with respect to JLL, will require prior approval by Client.

## **SECTION 13. MEDIATION**

The parties will attempt in good faith to resolve any controversy or claim by negotiation or mediation.

## **SECTION 14. STATE-SPECIFIC PROVISIONS**

State-specific provisions required by the various state licensing laws shall be provided in the Rider attached to this Agreement.

## **SECTION 15. SURVIVAL**

The provisions of Sections 3.2, 3.3, 5, 6, 7, 8, and 15 of this Agreement shall survive the expiration or termination of this Agreement.

## **SECTION 16. NO EXCLUSIVITY**

This Agreement memorializes JLL's non-exclusive engagement to provide the Services and Client may retain any other parties to provide any services as Client may desire.

## **SECTION 17. BROKERAGE SERVICES**

Notwithstanding any provision to the contrary in this Agreement, nothing in this Agreement shall prohibit Client and JLL from entering into a separate agreement for JLL (including Donna Kolius and Pierce Owens) to act as Client's local broker on the sale of certain properties, if Client desires to engage JLL as its local broker on such properties. JLL may also act as a broker for individual buyers for a limited number of properties; provided, however, that (i) JLL will promptly disclose any such engagement to Client; (ii) no personnel working on this assignment or advising Client will be involved in any buyer representation and all personnel working for or advising Client will be subject to a "Chinese Wall" from any buyer representation; and (iii) if JLL is separately retained as the selling broker and JLL also represents a potential buyer, JLL will seek Client's written approval to such dual representation. If Client does not approve such dual representation, Client may terminate any separately agreed upon listing agreement with JLL and engage a third-party broker to represent Client in such transaction. Nothing in this Section 17 shall be construed to affect or reduce the compensation to JLL under this Agreement.

Ladies and Gentlemen:

On behalf of Sears Holdings Corporation and its affiliated debtors and debtors in possession (collectively, “Sears” or the “Company”), Jones Lang LaSalle Americas, Inc. (“JLL”) is pleased to invite you to submit a non-binding indication of interest (an “Indicative Bid”) in connection with a possible acquisition of certain fee owned real property or leased property interests, or other real property assets pursuant to a sale (each a “Transaction”) under sections 363 and 365 of title 11 of the United States Code (the “U.S. Bankruptcy Code”).

This letter sets forth the following information and guidelines with respect to submitting an Indicative Bid only and is being furnished to you due to your expressed interest in a potential Transaction.

JLL has been engaged as a real estate advisor by Sears to, among other things, advise on the Company’s potential sales of certain of its owned and leased real property and/or other real property assets. As such, the Company has requested JLL to solicit preliminary Indicative Bids for the acquisition of one or more of such real property assets to enable the Company to potentially identify one or more parties (“Interested Parties”) to be invited to proceed with a more detailed due diligence review and, thereafter, to submit a definitive offer (“Definitive Bid”) that may result in the execution of one or more binding purchase agreements with the Company (each, a “Definitive Agreement”).

The Company will have maximum flexibility in evaluating the Indicative Bids, including the ability to accept a single bid or multiple partial bids for any assets or combinations of assets that the Company determines to sell, at the direction of the Company’s Restructuring Committee.

For all bids, the Company is soliciting cash and non-cash consideration (e.g. equity, hybrid, fee, debt, or designation rights) bids for part or all of the assets subject to this process.

The Company and its advisors will evaluate the Indicative Bids to inform the overall process, but also to identify potential candidate(s) to engage in further negotiations and, to the extent multiple Indicative Bids are placed on certain assets, designate such party or parties as a “stalking horse”.

Please submit your Indicative Bid to the individual listed below no later than **5:00 p.m. New York time on December 28, 2018**. Please feel free to submit your Indicative Bid prior to December 28, 2018; the Company will consider Indicative Bids as they are received. Your Indicative Bid should be signed on behalf of your organization by a duly authorized officer and should be submitted via email to:

Indications of interest and bids relating to other assets of the Company, including acquisition of the Company or going concern bids, should be sent directly to the Company's investment banker, Lazard Frères & Co. LLC ("Lazard"). Lazard may be reached at the following e-mail address: [project.blue.rx@lazard.com](mailto:project.blue.rx@lazard.com). A process letter for going concern and liquidation bids has been distributed separately.

#### **Virtual Data Room, Q&A, Conference Calls, and Site Visits**

- i. **Virtual Data Room:** To facilitate your due diligence process, you will be, or have already been, invited to access a virtual data room ("Virtual Data Room") subject to the execution of a confidentiality agreement with the Company (the "Confidentiality Agreement"). Please note that all information available in the Virtual Data Room is and must be treated as confidential information pursuant to the Confidentiality Agreement.
- ii. **Additional Diligence Requests:** The Company and their advisors will work to accommodate all reasonable requests for additional information and due diligence access from potential Interested Parties. Please submit written questions or additional information requests to JLL. We kindly ask you list every information request or question individually, indicating those that are considered to be high priority, and avoid duplicative information requests or questions.
- iii. **Questions for Management or Subject Matter Experts:** Requests for management conference calls on specific topics (to address due diligence inquiries, respond to outstanding questions, or clarify responses or information provided in the Virtual Data Room or otherwise) will be evaluated on a case-by-case basis. You will be asked to submit questions or topics for conference calls in advance to JLL.
- iv. **Site Visit:** Requests for a site visit to Company locations will be evaluated on a case-by-case basis.

All discussions regarding your Indicative Bid and the guidelines outlined herein should be directed to the JLL representatives. **Under no circumstances should the Company, its employees, or employees of its affiliates be contacted directly, unless otherwise approved in writing by the Company.**

## Terms and Conditions to Be Addressed in the Indicative Bid

- i. **Scope of Transaction:** Describe the contemplated Transaction and provide a clear description of the assets that you intend to acquire (and liabilities assumed, if applicable).<sup>1</sup>
- ii. **Consideration:** The total purchase price to be paid by you upon closing of a Transaction. Cash consideration paid in full at closing is preferred; however, other forms of consideration will be considered, including (i) credit bids, and/or (ii) other non-cash consideration (e.g., stock, seller-financed debt, etc.).
- iii. **Other Value:** If the value of the bid includes non-cash components, including contracts and leases to be assumed and assigned, assumed liabilities, etc., the bid should include a detailed analysis of the value and any back-up documentation to support such value.

- vi. **Allocation:** Bid must include an allocation of value to various assets included in the Transaction if multiple assets are included.
- vii. **Advisors:** Please include the identity of any outside advisors (e.g., legal, financial, accounting or consultants) that you have engaged or would consider engaging to assist you in the Transaction, indicating whether or not they have already been engaged.
- viii. **Contact Information:** Your Indicative Bid must include a list of contacts (and contact information) with whom JLL can discuss your Indicative Bid, as well as any relevant contact information for your advisors, if applicable.
- ix. **Other Information:** Please include any other information that you would deem relevant for the Company and its advisors to evaluate your Indicative Bid.

The selection of Interested Parties will be determined by the Company in its sole discretion and the Company reserves the right to reject any bidder from further due diligence and discussions of a Definitive Bid. Should you be selected to participate in the Definitive Bid process, you will be provided with a form of purchase agreement.

<sup>1</sup> A schedule of the Company's owned and leased real property and/or other real property assets available for sale is set forth on the Company's website <https://restructuring.primeclerk.com/sears/Home-DocketInfo>

### **Other Information**

If you have executed or will execute a Confidentiality Agreement with the Company, its terms apply to the process as outlined in this letter. As a result, pursuant to the terms and conditions of the Confidentiality Agreement, you must keep all information received regarding the Company pursuant to the Confidentiality Agreement, including your participation in the bidding process, strictly confidential.

The Company shall have the right, in a manner consistent with its fiduciary duties and applicable law, to modify these procedures at any time, including: to waive terms and conditions with respect to any Interested Party, extend deadlines, conduct an auction and provide reasonable accommodations to any Interested Party with respect to terms, conditions and deadlines of the bidding and, if applicable, auction process to promote further bids on any assets.

Neither the Company nor JLL nor any of the Company's representatives makes any representation or warranty, express or implied, as to the accuracy or completeness of any information provided to you or your representatives by the Company or its representatives in connection with matters contemplated hereby. Only those representations and warranties that may be made in a Definitive Agreement, when, as and if executed and subject to such limitations and restrictions as may be specified therein, shall have any legal effect, and you agree that if you determine to engage in a Transaction, such determination will be based solely on the terms of such Definitive Agreement and on your own investigation, analysis and assessment of a Transaction. Except as provided in any such Definitive Agreement, neither the Company nor any of its representatives shall have any liability to you or your affiliates or representatives, resulting from the use of, or reliance on, any information provided to you or your representatives. By submitting an Indicative Bid, you acknowledge that you are relying solely on your own independent investigation and evaluation of the fee interests and leasehold interests and that you accept the terms of this letter. You will bear all costs and expenses related to this process, your investigation and evaluation of the assets designated by the Company for sale or that you otherwise incur in connection with your evaluation of a Transaction, including, without limitation, the fees and disbursements of your own legal counsel, agents and advisors, whether or not the Company proceeds with your Indicative Bid.

On October 15, 2018 the Company and certain affiliated debtors filed voluntary petitions for relief under chapter 11 of the U.S. Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. In the context of the Company's bankruptcy process, any Definitive Agreement that the Company may execute with you or others may be subject to court approval under the applicable provisions of the U.S. Bankruptcy Code. The Company's legal counsel, Weil, Gotshal & Manges LLP, is available to discuss the U.S. bankruptcy process and any implications thereof with respect to a Transaction.

On behalf of the Company, we appreciate your interest and look forward to working with you.

Very truly yours,

**COMPENSATION**

**Advisory Team Resources**

Monthly Advisory Fee: \$100,000/Month

JLL will invoice the monthly fee and any expenses on a monthly basis. Invoices shall be due and payable within thirty (30) days after receipt.

Additional compensation shall also be paid to JLL for each property sold or liquidated, at a rate of 0.5% of the aggregate gross purchase price for each property sold or liquidated in this Real Estate Sales Process or pursuant to a bid other than a bid to purchase substantially all of the Client's operating assets as a going concern but which may include real estate assets (the Additional Compensation), which Additional Compensation shall be payable to JLL upon the closing of the sale or liquidation of such property. Additionally, 50% of the Additional Compensation above \$500,000 shall be credited against any future payments to JLL of the monthly advisory fee. For example, if JLL receives Additional Compensation in the amount of \$600,000, then \$50,000 shall be credited against the next monthly advisory fee payment due to JLL. In no event shall JLL be required to refund any portion of the monthly advisory fee or Additional Compensation previously paid to JLL. Notwithstanding any provision to the contrary in this Agreement, if a property is under contract for sale or liquidation by the expiration of the Term, and after the expiration of the Term such property subsequently closes, then JLL shall be paid the additional compensation as set forth in this paragraph. No Additional Compensation shall be paid to JLL, however, with respect to real property or properties sold as part of a single purchase of substantially all of the Client's operating assets as a going concern.

In addition, Client will reimburse JLL for any reasonable out-of-pocket expenses incurred as a part of performing the Services not to exceed \$20,000. Reimbursable items include, but are not limited to, expenses related to outside bankruptcy legal counsel, travel, parking, mileage, overnight and messenger services, phone and equipment use as determined by the Client's travel and expense policy. Notwithstanding anything contained herein and the attached, JLL understands and agrees that any such charges shall be consistent with the guidelines promulgated by the U.S. Trustee, relevant Bankruptcy Court orders, Local Bankruptcy Rules for the Southern District of New York and Federal Rules of Bankruptcy Procedure; provided, however, the parties agree that such guidelines shall not apply with respect to the compensation to be paid to JLL as set forth above.

**EXHIBIT D**

**INSURANCE REQUIREMENTS**

JLL's Insurance. JLL shall carry the following insurance, at its own expense:

Professional liability (errors and omissions) insurance in the amount of no less than \$2,000,000. Such insurance coverage shall be on claims made basis and shall remain in force for the term of this Agreement and for two (2) years following expiration or termination of this Agreement.

JLL's Professional Liability Policy must be maintained with companies having an A.M. Best's rating of A- VII or better. JLL shall provide Client with certificates of insurance evidencing such Policy within ten (10) days of the execution of this Agreement. All certificates shall also indicate that JLL's insurers shall endeavor to provide Client thirty (30) days advanced notice in the event of cancellation or non-renewal of coverage.

Mutual Waiver. Each party waives any claims against the other party for damage to its property and will cause its respective insurance carriers to waive all rights of subrogation with respect to losses payable and waives all claims with respect to any deductible or self-insured retention.

Our reports and work product are appraisals prepared pursuant to Uniform Standards of Professional Appraisal Practice, and do not undertake to evaluate any such compliance. You acknowledge that many factors in addition to property value must be considered to determine Stark or anti-kickback law compliance, and agree that any reports and work product we deliver make no opinion or representation that any transaction involving property we appraise is compliant with Stark law or any anti-kickback law.

#### 10. CONFIDENTIALITY

- 10.1 Subject to Section 17.1, we each agree to maintain the confidentiality of each other's confidential information and will not disclose any information received in confidence from each other, until two years after termination or expiration of the agreement, except where required to do so by law.

- 12.2 The agreement states the entire agreement, and supersedes all prior agreements, between you and JLL with respect to the matters described in the agreement.
- 12.3 If a court determines that any part of the agreement is unenforceable, the remainder of the agreement will remain in effect.

enforce that provision or to exercise that right at any other time.

**12.10** The agreement does not establish any partnership or joint venture between us, or make either of us the agent of the other.

**12.11** A person who is not a party to the agreement does not have any rights to enforce its terms unless specifically agreed in writing.

**12.12** Neither of us may publicize or issue any specific information to the media about the Services or the agreement without the written consent of the other.

**12.13** Each of us represents to the other that it is not a person or entity with whom U.S. entities are restricted from doing business under regulations of the Office of Foreign Asset Control ("OFAC") of the Department of the Treasury (including those named on OFAC's Specially Designated and Blocked Persons List) or under any statute, executive order or other governmental action. Each of us agrees to comply with all applicable laws, statutes, and regulations relating to anti-bribery and anti-corruption.

**12.14** If either of us does not comply with its obligations under the agreement and the other party commences legal action to enforce its rights, the non-complying party will reimburse the other party's reasonable costs (including attorneys' fees), associated with such action. THE PARTIES HEREBY WAIVE TRIAL BY JURY.

**12.15** Sections 5, 6, 7, 10, 11, 12.1, 13, 17 and 18 will survive termination of the agreement.

### 13. USE OF DATA AND DATA PROTECTION

**13.1** You agree as follows: (i) The data we collect from sources other than you in connection with the agreement will remain our property. (ii) We and our affiliates may utilize, sell and include data you have provided (either in the aggregate or individually) in the databases of JLL and its affiliates and for use in derivative products, provided that any non-public information may only be used on an anonymous basis.

(iii) We may utilize all data already in the public domain on an unrestricted basis.

**13.2** In order for us to provide the Services, we

may need to record and maintain in hard copy and/or in electronic form, information regarding the Client, its officers and any other individuals connected with the Client (collectively "Data Subjects"). We may also verify the identity of Data Subjects, which could include carrying out checks with third parties such as credit reference, anti-money laundering or sanctions checking agencies. We may use all information that we hold regarding Data Subjects to provide the Services. We may also use and share it with third parties for other purposes as described in our Privacy Statement available at [www.jll.com](http://www.jll.com).

**13.3** We may use both commercially available and proprietary software programs to perform the Services (web based and others).

### 14. SPECIAL EXPERTS

**14.1** If you request our assistance in hiring a special expert to contribute to any assignment (such as a surveyor, environmental consultant, land planner, architect, engineer, business, personal property, machinery and equipment appraiser, among others), you will perform your own due diligence to qualify the special expert. You will be responsible to pay for the services of the special expert.

**14.2** We are not responsible for the actions and findings of any special expert. You agree to indemnify and defend us and hold us harmless from all damages that may arise out of your reliance on any special expert.

### 15. CONFLICTS POLICY

JLL adheres to a strict conflict of interest policy.

If we learn of a conflict of interest, we will notify you and recommend a course of action to resolve the conflict. If we learn of a conflict that we do not believe can be resolved, we may terminate the agreement without penalty.

### TERMS AND CONDITIONS

#### 16. FIRREA REQUIREMENTS

Federal banking regulations require banks and other lending institutions to engage appraisers where FIRREA compliant appraisals must be used in connection with mortgage loans or other transactions involving federally regulated lending institutions. Given that requirement, any report produced by JLL under the agreement, if ordered independent of a financial institution or agent, might not be FIRREA compliant or acceptable to a federally regulated financial institution.

#### 17. USE OF WORK PRODUCT AND RELIANCE

17.1 Notwithstanding anything to the contrary herein, you are authorized to use any report or other work product we produce in rendering the Services in connection with your Bankruptcy Cases (as defined in Section 19.1), for whatever purpose you deem necessary in your sole discretion, including, without limitation, the sharing of any such report or work product in public filings, hearings before the Court, negotiations with third parties, sales of assets, or a plan of reorganization.

17.2 Subject to Section 17.1 you agree that any report or other work product we produce in connection with the Services are for your use only, and only for the purpose indicated in the agreement. Subject to Section 17.1, no person or entity other than the Client may use or rely on any such report or work product unless we consent otherwise in writing, even if such reliance is foreseeable. Any person who receives a copy of any report or other work product we produce as a consequence of disclosure requirements that apply to the Client, does not become an intended user of this report unless the Client specifically identified them at the time of the engagement.

17.3 Subject to Section 17.1 you will not use any such report or work product in connection with any public documents. Subject to Section 17.1 you will not refer to JLL in any public documents without our prior written consent. We may give or withhold our consent in our sole discretion for any purpose under this Section 17.

#### 18. LITIGATION MATTERS

18.1 We are not required to testify or provide court-related consultation or to be in attendance in court unless we have agreed to do so in the agreement or otherwise in writing, or if required by law.

18.2 If we receive a subpoena or other judicial command to produce documents or to provide testimony in a lawsuit or proceeding regarding the agreement, we will notify you if allowed by law to do so. However, if we are not a party to these proceedings, you agree to compensate us for our professional time at the then prevailing hourly rates of the personnel responding to the subpoena or providing testimony, and to reimburse us for our actual expenses incurred in responding to any such subpoena or judicial command, including attorneys' fees, if any, as they are incurred.

#### 19. BANKRUPTCY ISSUES

19.1 Notwithstanding anything to the contrary herein, we acknowledge and understand that your obligation to pay the Fee or any outstanding invoices hereunder will be consistent with and subject to the order entered by the United States Bankruptcy Court for the Southern District of New York providing for your retention of us in your chapter 11 cases pending in such Court (the "Bankruptcy Cases"), the guidelines promulgated by the U.S. Trustee, the Local Bankruptcy Rules for the Southern District of New York, and the Federal Rules of Bankruptcy Procedure.

**STATEMENT OF ASSUMPTIONS AND LIMITING CONDITIONS**

1. All reports and work product we deliver to you (collectively called "report") represents an opinion of value, based on historical information and forecasts of market conditions. Actual results may vary from those forecast in the report. There is no guaranty or warranty that the opinion of value reflects the actual value of the property.
2. The conclusions stated in our report apply only as of the effective date of the appraisal, and no representation is made as to the effect of subsequent events. Assessed values may change significantly and unexpectedly over short periods. We are not liable for any conclusions in the report that may be different if there are subsequent changes in value. We are not liable for loss relating to reliance upon our report more than three months after its date.
3. There may be differences between projected and actual results because events and circumstances frequently do not occur as predicted, and those differences may be material. We are not liable for any loss arising from these differences.
4. We are not obligated to predict future political, economic or social trends. We assume no responsibility for economic factors that may affect or alter the opinions in the report if the economic factors were not present as of the date of the letter of transmittal accompanying the report.
5. The report reflects an appraisal of the property free of any liens or encumbrances unless otherwise stated.
6. We assume responsible ownership and competent property management.
7. The appraisal process requires information from a wide variety of sources. We have assumed that all information furnished by others is correct and complete, up to date and can be relied upon, but no warranty is given for its accuracy. We do not accept responsibility for erroneous information provided by others. We assume that no information that has a material effect on our appraisal has been withheld.
8. We assume the following, unless informed to the contrary in writing: Each property has a good and marketable title. All documentation is satisfactorily drawn and that there are no encumbrances, restrictions, easements or other adverse title conditions, which would have a material effect on the value of the interest under consideration. There is no material litigation pending involving the property. All information provided by the Client, or its agents, is correct, up to date and can be relied upon. We are not responsible for considerations requiring expertise in other fields, including but not limited to: legal descriptions, interpretation of legal documents and other legal matters, geologic considerations such as soils and seismic stability, engineering, or environmental and toxic contaminants. We recommend that you engage suitable consultants to advise you on these matters.
9. We assume that all engineering studies correct. The plot plans and illustrative material in the report are included only to help the reader visualize the property.
10. We assume that there are no hidden or unapparent conditions of the property, subsoil or structures that render it more or less valuable. We are not responsible for such conditions or for obtaining the engineering studies that may be required to discover them.
11. We assume that the property is in full compliance with all applicable federal, state, and local environmental regulations and laws unless the lack of compliance is stated, described, and considered in the report. We have not made or requested any environmental impact studies in conjunction with the report. We reserve the right to revise or rescind any opinion of value that is based upon any subsequent environmental impact studies. If any environmental impact statement is required by law, the report

**Valuation & Advisory**

**Exhibit C**

**STATEMENT OF ASSUMPTIONS AND LIMITING CONDITIONS**

assumes that such statement will be favorable and will be approved by the appropriate regulatory bodies.

12. Unless otherwise stated in the report, you should assume that we did not observe any hazardous materials on the property. We have no knowledge of the existence of such materials on or in the property; however, we are not qualified to detect such substances, and we are not providing environmental services. The presence of substances such as asbestos, urea-formaldehyde foam insulation and other potentially hazardous materials may affect the value of the property. Our report assumes that there is no such material on or in the property that would cause a loss in value. We do not assume responsibility for such conditions or for any expertise or engineering knowledge required to discover them. We encourage you to retain an expert in this field, if desired. We are not responsible for any such environmental conditions that exist or for any engineering or testing that might be required to discover whether such conditions exist. We are not experts in the field of environmental conditions, and the report is not an environmental assessment of the property.
13. We may have reviewed available flood maps and may have noted in the report whether the property is generally located within or out of an identified Special Flood Hazard Area. However, we are not qualified to detect such areas and therefore do not guarantee such determinations. The presence of flood plain areas and/or wetlands may affect the value of the property. Any opinion of value we include in our report assumes that floodplain and/or wetlands interpretations are accurate.
14. We have not made a specific survey or analysis of the property to determine whether it is in compliance with the Americans with Disabilities Act ("ADA"), Stark law or any anti-kickback laws. We claim no expertise in such issues, and render no opinion regarding compliance of you or the property with ADA, Stark law or anti-kickback law or regulations.
15. We assume that the property conforms to all applicable zoning and use regulations and restrictions unless we have identified, described and considered a non-conformity in the report.
16. We assume that all required licenses, certificates of occupancy, consents, and other legislative or administrative authority from any local, state, or national government or private entity or organization have been or can be obtained or renewed for any use on which the opinion of value contained in the report is based.
17. We assume that the use of the land and improvements is confined within the boundaries or property lines of the property described and that there is no encroachment or trespass unless noted in the report.
18. We have not made any investigation of the financial standing of actual or prospective tenants unless specifically noted in the report. Where properties are valued with the benefit of leasing, we assume, unless we are informed otherwise, that the tenants are capable of meeting their financial obligations under the leases, all rent and other amounts payable under the leases have been paid when due, and that there are no undisclosed breaches of the leases.
19. We did not conduct a formal survey of the property and assume no responsibility for any survey matters. The Client has supplied the spatial data, including sketches and/or surveys included in the report, and we assume that data is correct, up to date and can be relied upon.
20. Unless otherwise stated, the opinion of value included in our report excludes any additional value attributable to goodwill, or to fixtures and fittings which are only of value, in situ, to the present occupier. We have made no allowance for any plant, machinery or equipment unless they form an integral part of the building and would normally be included in a sale of the building. We do not normally carry out or commission investigations into the capacity or condition of services being provided to the property. We assume that the services, and any associated controls or software, are in working order and free from defect. We also assume that the services are of sufficient capacity to meet current and future needs.

**STATEMENT OF ASSUMPTIONS AND LIMITING CONDITIONS**

21. In the case of property where construction work is in progress, such as refurbishment or repairs, or where developments are in progress, we have relied upon cost information supplied to us by the Client or its appointed experts or upon industry accepted cost guides. In the case of property where construction work is in progress, or has recently been completed, we do not make allowance for any liability already incurred, but not yet discharged, in respect of completed work, or obligations in favor of contractors, subcontractors or any members of the professional or design team. We assume the satisfactory completion of construction, repairs or alterations in a workmanlike manner.
22. Any allocation in the report of value between the land and the improvements applies only under the stated program of utilization. The separate values allocated to the land and buildings must not be used in conjunction with any other appraisal and are invalid if so used.
23. Subject to Section 17.1 the report is confidential to the party to whom it is addressed and those other intended users specified in the report for the specific purpose to which it refers. Use of the report for any other purpose or use by any party not identified as an intended user of the report without our prior written consent is prohibited, and we accept no responsibility for any use of the report in violation of the terms of this Agreement.
24. We are not required to testify or provide court-related consultation or to be in attendance in court unless we have agreed to do so in writing.
25. Neither the whole report, nor any part, nor reference thereto, may be published in any manner without our prior written approval.
26. We may rely on, and will not verify, the accuracy and sufficiency of documents, information and assumptions provided to it by the Client or others. We will not verify documents, information and assumptions derived from industry sources or that JLL or its affiliates have prepared in the regular course of business. We are not liable for any deficiency in the report arising from the inaccuracy or insufficiency of such information, documents and assumptions. However, our report will be based on our professional evaluation of all such available sources of information.
27. JLL IS NOT LIABLE TO ANY PERSON OR ENTITY FOR LOSS OF PROFITS, CONSEQUENTIAL, PUNITIVE, EXEMPLARY OR SIMILAR DAMAGES IN CONNECTION WITH THIS AGREEMENT. EXCEPT FOR JLL'S LIABILITY TO THIRD PARTIES FOR BODILY INJURY, DEATH AND PROPERTY DAMAGE, IN NO EVENT SHALL THE LIABILITY OF JLL AND ITS AFFILIATES IN CONNECTION WITH THIS AGREEMENT EXCEED THE GREATER OF ANNUAL FEES PAID OR ONE MILLION DOLLARS (\$1,000,000).
28. Unless expressly advised to the contrary, we assume that appropriate insurance coverage is and will continue to be available on commercially acceptable terms.
29. We assume that no material changes in any applicable federal, state or local laws, regulations or codes (including, without limitation, the Internal Revenue Code) are anticipated.
30. We may determine during the course of the assignment that additional Hypothetical Conditions and Extraordinary Assumptions may be required in order to complete the assignment. The report will be subject to those Hypothetical Conditions and Extraordinary Assumptions. Each person that is permitted to use the report agrees to be bound by all the Assumptions and Limiting Conditions and any Hypothetical Conditions and Extraordinary Assumptions stated in the report.
